

What is a School-Family Compact?

A School-Family Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan.
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

Parents, students, teachers, and faculty members work together to develop our School-Family Compact. Each school year, at least two meetings are held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.

Parents are welcome to provide feedback on the compact at any time during the school year. All feedback will be collected and reviewed during our Title I Stakeholder Input Meetings.

This compact is uniquely developed to meet the needs and goals of our school and students.

Activities to Build Partnerships

- Open House
- Curriculum Night
- Title 1 Stakeholders meeting (09/17/21) 6:00-7:00pm

Goals of DeKalb County School District:

Goal Area I:

Student Success with Equity and Access

- Improve student's mastery of learning standards
- Provide Academically rigorous courses and/or pathways
- Increase graduation rate

At Miller Grove High we will provide all students with high quality curriculum and instruction in a supportive and effective learning environment.

Academic Goals of Miller Grove High

By the end of the school year, we will improve student mastery of academically learning standards in Math and ELA.

We will improve the student mastery by a 3%-5% increase in the percentage of students achieving proficient or higher on Georgia Milestones End of Course Assessment in Math.

Our school will focus on the following areas:

School Climate
Collaborative Planning
Student Achievement

At Miller Grove High, we will...

- Provide parent workshops and school-wide events to communicate instructional resources to parents in reading, writing, and math to better support their children at home.
- Provide tutorial sessions to increase mastery of the content for the EOC assessment.
- Present school wide events such as Curriculum Night and grade level content night where parents will receive resources to help their child at home.
- Provide opportunities for parents to share online educational App resources through parents meetings or activities to support academic learning and student achievement.
- Provide literacy and math resources and or workshops for continuing educational achievement.

As Miller Grove High parents, we will...

- Use the math, reading and writing strategies learned in parent workshops to practice skills at home.
- Encourage our child to participate in tutorial sessions provided at Miller Grove High School.
- Attend school wide events such as Curriculum Night and grade level content nights to receive resources to work with our child at home.

As Miller Grove High students, we will...

- Work with family each night to complete my school work using resources, methods, and strategies provide to my family.
- Attend tutorial sessions provided by Miller Grove High School to increase mastery on the EOC assessments.
- Encourage Parents to attend all School Wide events such as Curriculum Night and grade level content nights to help utilize resources at home.
