

## Instructional Access Form for Students

**School: Miller Grove High School**

**Teacher: Ms. Akilah Hill**

Listed below are the main instructional platforms that will be used for Hill Chemistry Virtual Learning. The information provided will assist with access credentials.

The main platforms for Virtual Learning in Chemistry will be **VERGE and Microsoft Teams**. VERGE will be used for daily communication of learning assignments and teacher/student feedback. Microsoft Teams will be used for LIVE learning sessions.

Virtual Learning Technical Support Request Link - [DCSD Technical Support](#)  
Help Desk 678-676-1188

**Note:** For instructional resources not available through Launchpad, technical support will be available through the local school or vendor.

**Platform:**  Verge (It's Learning)

**Link:**  [DCSD Launchpad](#)

**Access Directions and Credentials:**

1. The student should log into [Launchpad/Clever](#).
2. They must then click "**Log in with active directory**" and use their **s-number and school password** to log in. If the student is new to the district, their default password will be dekalb00.
3. The student must scroll down and click on the Verge Icon. 
4. Once the students are in the Verge Platform, they must navigate to their **Chemistry** course. 

**Platform:**  Microsoft Teams

**Link:**  [DCSD Launchpad](#)

**Access Directions and Credentials:**

1. The student should log into [LaunchPad/Clever](#).
2. They must then click "**Log in with active directory**" and use their **s-number and school password** to log in. If the student is new to the district, their default password will be dekalb00.
3. The student must scroll down and click on the Microsoft Teams Icon. 
4. If prompted, the student should log into Microsoft Teams using their school email address (i.e s0000000@dekalbschoolsga.org) and school password. If the student is new to the district, their default password will be dekalb00.
5. Our Class on Microsoft Teams can also be accessed using this link
